Sameh Ghobrial is currently the President and CEO of Canna Green Inc. an ACMPR LP applicant based in Sarnia Ontario Canada. pharmacist Sameh Ghobrial is the CEO and Co-founder of Medical Health trust, a management company that specializes in recruiting physicians. Sameh Ghobrial is planning to launch his own pharmaceutical factory in Egypt. This project will encompass more than 20 new pharmaceutical products. It involves an investment of over \$2 Million. Mr. Ghobrial is on his way to expand the launch to more than 100 products. Mr Ghobrial believes that Egypt is an amazing market for such an expansion. He wants to help all the residents there to afford medications at cheaper prices as the prices are going very high due to the increased inflation.
